Oregon law allows a tax credit for political contributions!

You can claim a credit on your tax form for a contribution to a candidate, political party, or a political action committee (that's us!). Your credit is equal to your contribution, but limited to \$100 on a joint return or \$50 on a single/separate return.

Use this option to support Measure 5-188 today! We need your help!

Successful campaigns get lots of help from volunteers.

Please check if you are willing to help with any of the following activities:

- Phoning (group setting & script provided—not as bad as it sounds and the key to a successful campaign!)
- Personalizing mailings with hand-written addresses and messages (Snail mail is “in”!)
- Distributing materials at community events (Share your enthusiasm face to face!)
- Writing a letter to the Editor (We have a list of suggested topics supporting Measure 5-188.)
- Posting an 8-1/2” x 11” sign in your car or business window (It reads “We support Scappoose schools—Yes on 5-188.”)
- Providing refreshments for campaign events or work parties (an essential part of any campaign)

Would you recommend the names (& numbers?) of others we should contact? _____
